

Verzeichnis der Schallplatten und Compact Discs der Vergleichenden Musikwissenschaft an der Fachbereichsbibliothek Musikwissenschaft

Inhalt: Erwerbungen bis 2004

SV = Schallplatte (vergleichende Musikwissenschaft)

SV [...] CD = Compact Disc (vergleichende Musikwissenschaft)

Schallplatten 1-500

Beschreibung:

Sigel des Kontinents Land bzw. Stamm. – Gattung. Ensemble, Instrument. – Liedanfänge. -
Interpreten, Komponisten

Die Zuordnung der einzelnen Länder und Stämme zu den entsprechenden Kontinenten orientiert sich nach den Angaben des "Fischer Weltalmanach '83".

Innerhalb der Kontinente sind die Länder bzw. Stämme nach dem Alphabet gereiht. Diesem Ordnungswort können zur näheren Bestimmung weitere Ortsangaben folgen. Daran schließt die Aufzählung der Musikgattungen der jeweiligen Tonaufnahme an.

Der Aufzählung von Ensembles ist die der Musikinstrumente angefügt, welche in ihrer Reihung der Hornbostel-Sachs'schen Systematik folgen. Zusätzliche und einheimische Bezeichnungen von Musikinstrumenten sind den deutschen Oberbegriffen in Klammer beige setzt.

Nicht deutschsprachige Namen von Gattungen, Ensembles und Musikinstrumenten sind grundsätzlich klein geschrieben.

Die Erfassung der Liedanfänge unterliegt keiner systematischen Gliederung.

Nach den alphabetisch geordneten Liedanfängen folgt jeweils die Angabe des Landes (soweit dies möglich), der Gattung, des Interpreten und eventuell des Komponisten.

Die Namen der Interpreten und Komponisten sind nach dem Alphabet gereiht.

Im Stichwortverzeichnis sind die Gattungsbegriffe alphabetisch, die Musikinstrumente systematisch angeführt, die Ensemblebezeichnungen wurden der besseren Übersicht halber teils gegliedert, teils alphabetisch aufgezählt.
